Point of Application 1

I Corinthians 10: 12

Receive and know the Word by hearing!

- Continually hear HIM!
- St. John 6: 60-66

Point of Application 2

I Corinthians 10: 5-11

Believe the Word – by doing!

- If we hear the Word without doing what it commands, we don't really believe the Word at all!
- We must meditate on the Word...it is the key for moving from being just a hearer to also being a doer of the Word!
- Zeal and knowledge must be married in order to produce fruit!

Endure the race – by holding fast to what you have believed!

- Neither swiftness nor strength will determine you end...only our endurance!
- Live your moments and days like its your last
- I Peter 1: 3-9
- Will you keep the faith?
- Galatians 1: 6-9
- II Corinthians 11: 1-4
