God's Chosen Fast - Isaiah 58

Dates - Monday, February 1 thru Sunday, February 21, 2010

Objective: Set to seek God in an unprecedented manner, seeing and clearly discovering our assignment in one of the seven mountains of culture. This is the time of great arming for the invasion and the takeover!

- First and foremost praying that we are graced to answer the call to fast in this manner and in this time (eating as the Spirit of God directs)
- Pushing our bodies to resist the cry for the normal consumption of food and drinks - being disciplined to waters and juices
- Praying, worshipping, and reading the Word of the Lord at least 2.4 hours daily starting at 4:00am
- Praying with other leaders at least 1 hour every 3rd day
- Shifting to the posture to receive God's new directives for His chosen leadership, for the Body of Christ as a whole, for the local church, and for our city-region
- Understand with clarity the greatness of our predestined assignment. Connecting the season with the prophetic proper timing
- Making at least 1 significant financial contribution to a ministry of choice (Isaiah 58: 7)

Scriptures of Study:

- The Book of Zechariah

St. Luke 12: 32

- Don't be afraid, little flock, because your Father delights to give you the kingdom.

Prophetic Note... this is the time to seize the kingdom and lead the invasion and take over! We now have the mind of the Lord - let nothing or no one stand in the way!
